

Badgers – Autumn 2021 Term 1

Invaders and Settlers

HISTORY

- Why, where and when the Anglo-Saxons and Vikings invaded Britain
- Anglo-Saxon Kingdoms
- Consider what we can learn about Anglo-Saxon and Viking life using various artefacts
- Visit to Ancient Technology Centre (Cranborne) 4th Oct – details to follow shortly

ENGLISH

- Reading and writing quest stories – Arthur and the Golden Rope
- Writing recounts of experiences
- Poetry – Kennings about familiar items
- Class Reader – How To Be A Hero by Cat Weldon and Katie Kear

ART

Design and make brooches inspired by Anglo-Saxon jewellery.

GEOGRAPHY

- Identify the needs of early settlers
- Use maps, atlases and globes to locate Anglo-Saxon counties, cities and town names
- Identify how physical features of an area influences the place name

P.S.H.E.

New Year – family and friends

Forest Schools (Wednesdays)

- What is important to us?
- Team-work and collaboration skills
- Creating settlements
- Fire building and fire striking skills
- Den building
- Nature exploration

MATHS

- Place Value
- Addition & subtraction
- Multiplication & division
- Geometry

SCIENCE

Forces and Magnets

- Compare how things move on different surfaces
- Observe how magnets attract or repel each other and attract some materials and not others
- Investigational and enquiry activities

Computing

We are programmers:

- Use Scratch to codes to create mini games
- Debugging programs

P.E.

Monday – Rugby led by Project Touchline
Friday– Gym - sequences
