

## Hedgehogs Class Curriculum Overview—Autumn 1

### Enquiry 1: Who are We?

#### Being Authors and Readers

We will be sharing stories about starting school and being ourselves.

We will be working on starting to write and explore mark making in various forms.

#### Being Scientists

We will be finding out about how our school changes in Autumn. We will be looking at differences when the seasons change and what signs to look for.

#### Being Historians and Geographers

We will be finding out about where we live, looking at the local area and talking about who is in our family.

#### Being Mathematicians

We will be using our knowledge of mathematics to show what we know about numbers, counting and understanding amounts.

#### Being Philosophers

We will be going to the Church look at what is important to Christians.

#### Being Athletes

Taking part in class PE sessions with our class teacher and visiting sports coaches.

#### Being Linguists

Joining in with singing and rhyming.

#### Being Artists and Engineers

Painting self-portraits looking carefully at our individual features.

#### Being a Musician

Exploring a variety of musical instruments.

#### Being computer scientists

Exploring logging on in the computer room.
