

Hedgehogs Class Curriculum Overview—Autumn 2

Enquiry 3: How can I join two things together?

Being Authors and Readers

We will be sharing stories about hats. Finding out about hats for different purposes and talking about the vocabulary we encounter.

We will be working on starting to write and explore mark making in various forms.

Being Athletes

Taking part in class PE sessions with our class teacher and visiting sports coaches.

Being Linguists

Joining in with singing and rhyming.

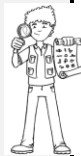

Being Scientists

We will be finding out about how our school changes from Autumn to Winter. As part of our enquiry we will be finding out about different materials and their properties.

Being Historians and Geographers

We will be looking at where we live, talking about how our seasons change in the United Kingdom compared to other parts of the world.

Being Artists and Engineers

We will be constructing a hat to wear to a party using a variety of different joining techniques.

Being a Musician

Exploring a variety of musical instruments.

Being computer scientists

Exploring logging on in the computer room and using Numbots.

Being Mathematicians

We will be using our knowledge of mathematics to show what we know about numbers, counting and understanding amounts.

Being Philosophers

We will be talking about why Christians perform Nativity plays at Christmas and performing our own!
