

Hedgehogs Class Curriculum Overview—Spring 1

Enquiry: Where are we?

Being Authors and Readers

We will be looking at maps, atlases and globes to find out where we are in the world. We will be sharing stories linked to following maps such as 'The Jolly Postman' and writing our own postcards and letters to write addresses and post.

Being Athletes

Taking part in class PE sessions focusing on dance and visiting sports coaches learning hockey skills.

Being Linguists

Joining in with singing and rhyming.

Being Scientists

We will be finding out about how our school changes from Winter to Spring. As part of our enquiry we will be finding out about different materials their properties.

Being Historians and Geographers

We will be looking at where we live, looking at the village of Bourton the map and following a route. We will be making our own maps and looking at old map to see how the village has changed.

Being Artists and Engineers

We will be exploring in our new Creation Station in the classroom.

Being a Musician

Exploring a variety of musical instruments.

Being computer scientists

Exploring logging on in the computer room and using Numbots.

Being Mathematicians

We will be using our knowledge of mathematics to show what we know about numbers, counting and understanding amounts working within 10 and extending to 20.

Being Philosophers

We will be talking about how can we help others when they need it.
